Winston Lam

AMSTERDAM, NETHERLANDS - winston.lam@outlook.com - +31 6 37349782

PROFILE

Hi there, oh wait I can not see through paper.

My name is Winston Lam, I am 23 years old and a fulltime masters software engineer student at the university of Amsterdam. Aside from that I am also fulltime engaged in operating restaurant Originals. I am ambitious, hardworking, critical thinking, visionary and love to endure challanges to better myself.

EMPLOYEMENT HISTORY

Co-Founder, Originals

Dec 2019 - Pesent, Amsterdam

In 2017 I co-founded restaurant Originals in Amsterdam, which is currently one of the most prominent Asian delivery restaurants in Amsterdam. As co-founder I am in charge of developing the business, explore market opportunities, develop customer oriented services, managing finance and operational management.
